- We would like to plan on the early February.

**Topic of Discussion: Poster Contest 2016-2017 School Year**

- Needs to be addressed district wide (HES, HMS, HHS)
- Members spoke about student not having running at home. The committee raised the issue that if there was a need we could open the high gym to families in need or hot or running water to bathe.

- Natalie will send out a district wide email to teachers and staff. If a student mentions to a teacher/coach they do not have water at home. The gym facility can be used to take a hot shower before school. This will build self-esteem and confidence in the student.
